Stran 18, nalog 5

I can see nine cats and seven dogs.

Stran 18, naloga 6

Hi! I'm Dani. I have got a lot of animals.

I've got a cow, a hen, a cockerel, a donkey, a dog,
a goat, a dog, a pig and a duck.

I haven't got a crocodile, a snake, a cat, or a turtle.

But I'd like to have them.

Anyway, how many animals have I got? Yes, I've got nine animals altogether. And I love them all.
